Per health department order, we need to inform our customers that consuming raw or undercooked meats, poultry, shellfish or eggs may increase your risk of forborne illness, especially if you have certain medical conditions.

Many of the items at the Market Grille are cooked with peanuts, peanut sauces and peanut & sesame oils...people with nut allergies should take note.

Remember in our food court, you need to pick up your orders at EACH food court counter where you placed your order...we cannot combine orders from Fish'n Chicken, Pasta & Pizza Caffe and Market Grille.
